

SID Heat Press 8 in 1 Combo

Datasheet

Specifications

SID Heat Press 8 in 1 Combo

Color:	Orange
Packaging Dimensions:	21" x 18.5" x 19" (533mm x 470mm x 483mm)
Gross Weight:	69 lb (32 kg)
Voltage:	110 volts
Power:	1250 watts
Temperature Range:	From 32°F ~ 716°F (0°C ~ 380°C)
Timing Range:	From 0 ~ 999 seconds
Mug Diameter:	3" - 3.5" or 2" - 3" (75~90mm or 50~75mm)
Plate Diameter:	4.5" or 6" (110mm or 150mm)
Flat Heating Area:	11.5" x 15" (300mm x 380mm)
Hat Heating Area:	5.5" x 3.5" (140mm x 85mm)
Warranty:	One year warranty on entire press
Applications:	It can imprint T-shirts, Ceramic Plates, Ceramic Tiles, Mugs, Mouse Pads, Jigsaw Puzzles, Fabrics and Other Materials.

Features:

The SID Heat Press 8 in 1 Combo is a multipurpose swing-away heat press. This fully digital swing-away press boasts all of the digital features of the state-of-the-art control system. This includes Digital Temperature, Time, and a Digital Pressure/ Height gauge, as well as programmable presets, user definable alarms and a host of other digital features. The construction is a solid steel welded framework. However, the popular success of the 8 in 1 Combo lies in its instantly interchangeable system of heat platens and tables. The 8 in 1 Combo utilizes quick-change attachments for heat transferring images onto a surprisingly wide variety of materials. This one press has every attachment necessary to professionally imprint: T-shirts, Ceramic Plates, Ceramic Tiles, Mugs, Mouse Pads, Metal Plates, Jigsaw Puzzles, Fabrics and Other Materials. The interchangeability of the 8 in 1 Combo is performed quickly and safely. If your product offering is going to reach beyond just flat & fabric items, the 8 in 1 Combo is the superior heat press machinery solution. The mug attachment allows the imprinting of mugs 1 side at a time. With dye sublimation transfers, full wrap images can be perfectly applied in multiple pressings. The plate die platens feature quickly interchangeable components for allowing the circular heating element to press inside ceramic plates. Also included is a template tray and pad for centering the plate. Due to its swing-away design and wide adjustment range, the 8 in 1 Combo excels at handling extremely thick items such as plaques, tile, woods, plastics, and other imprintable items that cannot be pressed in conventional T-Shirt presses.
